PRESS RELEASE

Wednesday 2 February 2011

Ongerup partnership boosts Malleefowl

After two years of successful co-existence, the Yongergnow – Ongerup Community Resource Centre (CRC) and Yongergnow Australian Malleefowl Centre have decided to formalise their relationship with an official Memorandum of Understanding.

The relocation of the Ongerup Telecentre to Yongergnow Malleefowl Centre has since maximised the resources of both organisations and raised their profiles.

Chair of the Yongergnow Ongerup CRC Janet Savage said the centre had become the hub of the Ongerup community and the formalisation of the partnership would build further community capacity.

“Our involvement with the Yongergnow Malleefowl Centre has given us a real point of difference in the CRC network and allows us to be more environmentally aware and conservation focussed,” she said.

“The partnership fulfils the core objectives of the Royalties for Regions program which include building community capacity and developing partnerships with other stakeholders.”

The two organisations will celebrate the official signing of the joint agreement at Yongergnow, Ongerup on Sunday 20th February with a BBQ lunch.

Guests are welcome to visit the aviary to view the rare and wonderful Malleefowl.
